NOTICE OF MARKET-DOMINANT  
PRICE ADJUSTMENT

Docket No. R2013-10

NOTICE OF THE UNITED STATES POSTAL SERVICE  
OF REVISIONS TO USPS-R2013-10/3 -- ERRATA  
(October 18, 2013)

The Postal Service hereby provides notice of revisions to USPS-R2013-10/3. The revisions relate to the substitution of the actual Periodicals prices which appear in the MCS (which are rounded to the nearest tenth of a cent, or three digits) in places in the original spreadsheets where the rounding of prices was inadvertently done to four digits. A separate notice of revisions is being filed for the corresponding revisions to the Notice of Market Dominant Price Adjustments.

Revisions in USPS-R2013-10/3 are made to both the Preface and the Excel file. The changes in the Preface are explained at the end of the revised Preface. In the Excel file, the changed tabs are highlighted in yellow, and in those tabs, the changed cells are also highlighted in yellow. The revised Excel file reflects the effects of substituting the actual three-digit rates for the four-digit versions used originally.

A new CD is provided which contains both new files (Preface and Excel), and this disk completely replaces the original disk.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
